The data herein, including but not limited to geographic data, tabular data, analytical data, electronic data structures or files, are provided "as is" without warranty of any kind, either expressed or implied, or statutory, including but not limited to, for implied warranties or representations and claims for a particular purpose. The entire risk as to the quality and performance of the data is assumed by the user. No guarantee of accuracy is granted, nor is any responsibility for release therefrom assumed. In no event shall the Western Arkansas Planning and Development District, Inc. GIS Department be liable for direct, indirect, incidental, consequential or special damages of any kind, including, but not limited to, loss of anticipated profits or benefits arising out of use of or reliance on the data. The District does not accept liability for any damages or misrepresentation caused by inaccuracies in the data or as a result of changes in the data caused by system transfers or other performance or non-performance, nor is there a responsibility assumed to maintain the data in any manner or form.

Users bear responsibility for the appropriate use of the information with respect to possible errors, scale, resolution, rectification, positional accuracy, development methodology, time period, environmental and climatic conditions and other circumstances specific to those data. The user is responsible for understanding the accuracy limitations of the data provided herein. The burden for determining fitness for use lies solely with the user.

Distribution of these data is intended for informational purposes and should not be equated with a contract for engineering, legal and other site specific uses.
