Dear Judge Bowman,

Please see the enclosed check for \$30,500.00 for Dispatch Fee's for 2016. The City Clerk was unable to locate a contract that referenced the Consumer Price Index, so for auditing purposes, the City of Ozark needs a copy of the contract that references the 1.7% Consumer Price Index increase. Upon verification of the contract, the additional \$503.88 will be paid.

Thank you for your attention to this matter.

Sincerely,

Mayor T. R. McNutt
